Take Away BASIC GS-77-E self contained

€ 18.667,00

excl. btw

Artikelnr.: EU536260

INCLINED GLASS TOP

- Minimal space concept for hot food and chilled beverages in a very small space
- Heated display case with 3 heat sources: moist heat, infrared supporting heat and primary heat – settable by means of pictogram control
- Visual and acoustic indicator of water requirement as well as easy topping up of the water tray without removing the product
- Refrigerated counter with bottle slider system; variable hook-in frames for adaptation to different bottle dimensions
- Use as display case with service or for self-service through slide-in front glass
- Glass enclosure made of tempered safety glass
- Operator side with removable and mirrored hinged doors made of one-way mirrors
- Fold-up mirror for optical multiplication of the food under the removable cutting board made of Poly-Hygiene
- Operator side with full extension drawer for easy and uncomplicated stocking
- Control unit with temperature display and pictogram control installed in the installation compartment, speed control of the fans, as well as on/off switch
- Long-lasting LED lighting per level
- Easiest cleaning and perfect hygiene
- Self-contained: With refrigerant R134a; refrigeration unit within installation compartment on the side, fully automatic condensate evaporation for self-contained model

Temperatures COLD:
Product temperature: -1°C to +7°C (Class M2)
Air temperature: +5°C

Tempteratures HOT:
Product temperature: > +65°C

Connected load: 2775 W – 230V/50Hz
Dimensions (WxDxH): 1175 x 865 x 1334 mm

Model:	schuin
Breedte:	1175
Diepte:	1065
Hoogte:	1334
Versie:	E
Opgenomen vermogen koud:	MEMO
Spanning Volt:	230
Frequentie Hz:	50
Koelmiddel:	R134a
Koelvermogen:	830 Watt bij VT -8°C

Fouten en systeemfouten gereserveerd.
