

# GN-Counters 1/1 self-contained Type: KTE

## 4-76-4T Propan

### €8,751.00

plus VAT

Item no.: 201544

Optimal for the presentation, storage and stocking of beverages; our base refrigerated service counters are not only attractive, but they are also especially flexible and can be designed individually.

|                                          |               |
|------------------------------------------|---------------|
| Width:                                   | 2010          |
| Depth:                                   | 660           |
| Height:                                  | 760           |
| Power input cold:                        | 300           |
| Useful height doors:                     | 630           |
| Annual energy consumption kWh:           | 1487,0100     |
| Energy efficiency index:                 | 51,2900       |
| Voltage volt:                            | 230           |
| Frequency Hz:                            | 50            |
| Refrigeration :                          | R290          |
| Cooling capacity (Watt) at VT -10°C:     | 385           |
| Energy efficiency class :                | D             |
| Temperature range air:                   | -2°C- +8°C    |
| Temperature range room:                  | +30°C und 55% |
| Temperature class:                       | M1 -1 +5      |
| Energy consumption kWh 24h:              | 4,0700        |
| Refrigerated display case Climate class: | 4             |
| Subject position:                        | left          |
| Standard:                                | EN ISO 22041  |
