Highlights

- **Careful Cooling:** reliable cooling for lasting freshness and assured quality of delicate food products. (3M1)
- **Perfect View:** tiered presentation levels as well as insulating glass with high transparency, comprehensive standard configuration and many available extras (powder coating, bumper rails, and much more)
- **Comprehensive standard configuration**
as well as a multitude of available additional options, e.g. powder coating, bumper railing, and much more.

Configuration

- **R290 propane version** with automatic condensate evaporation
- **LED lighting throughout** with natural colour reproduction
- **Easy cleaning and optimal hygiene** thanks to the lift-up evaporator and easy-to-remove glass
- **Mirror effect:** back wall made of highly polished stainless steel for visual duplication of the products
- Optimum product presentation over 3 levels including price tag holders

Dimensions

Technical specifications

Article	Item no.	Dimensions (W x D x H) ¹	Cooling capacity	Connection	Voltage
Delicious Sushi 180-E	EU358511	1800 x 900 x 1160 mm	1830 watts (evap. @ -6 °C)	1109 W	230 V / 50Hz
Delicious Sushi 180-Z	EU358516	1800 x 900 x 1160 mm	1830 watts (evap. @ -6 °C)	101 W	230 V / 50Hz
