

SNACKY Bistro-Z UB SNACK Line - remote refrigerated

€ 21.330,00

excl. btw

Artikelnr.: EU536106

- Fresh preparation, immediate service and product stocking in the smallest space
- Hot and cold area combined in one unit
- Heated display case: 3 heat sources in one unit – pictogram control for humidity, infrared supporting heat and primary heat
- Visual and acoustic indicator of water requirement; easy to top up the water tray without removing the product
- Refrigerated display case: Energy-efficient air-curtain cooling for optimum product temperature
- Use as display case with service or for self-service through slide-in front glass
- Glass cover made of tempered safety glass
- Stocking of cold as well as hot ingredients under the pull-out cutting boards for optimum reaction to the individual food requests of your customers
- High-gloss polished inside for mirror effect
- Long-lasting LED lighting per area
- Varied presentation of the food through different accessories such as GN trays and decorative inserts
- With refrigerated base: Base with extendable drawer GN 1/1 and usable height of 330 mm
- Remote refrigeration: Expansion valve R 134a, lines lead into the base, drain required on-site

Temperatures COLD:
